Approval of Minutes

1. Action: The minutes of the last meeting, 20 November 1952 (IAC-M-88), were approved, subject to the change of NIE-70 to NIE-73 (in paragraph 4) and NIE-74 to NIE-47 (in Secretary's Note).

Austrian Security Capabilities  
Following Withdrawal of Occupation  
Forces (NIE-21/1)

2. Action: Approved as amended.

Probable Soviet Bloc Courses  
of Action Through Mid-1953  
(NIE-64, Part II)

3. Action: Approved as revised, and to include a State and G-2 dissent to the estimate of the Kremlin's appraisal of U. S. reactions to Soviet actions against Berlin. The DCI reported a suggestion by General Strong that a joint study of Russian history be undertaken with a view to identifying what patterns, if any, emerge as valid both in the Czarist and post-revolutionary periods. It was the sense of the meeting that such a study might prove valuable, particularly in the difficult area of estimating Soviet appraisals of Western actions.
